Our City Of

Marion

In the upper central section of the Hoosier State lies our city of MARION. Situated in the southern edge of this thriving and progressive city is our college. We are proud of Marion and are happy to be a part of her. Featured here is only a small part of what really constitutes the enterprise of our city.

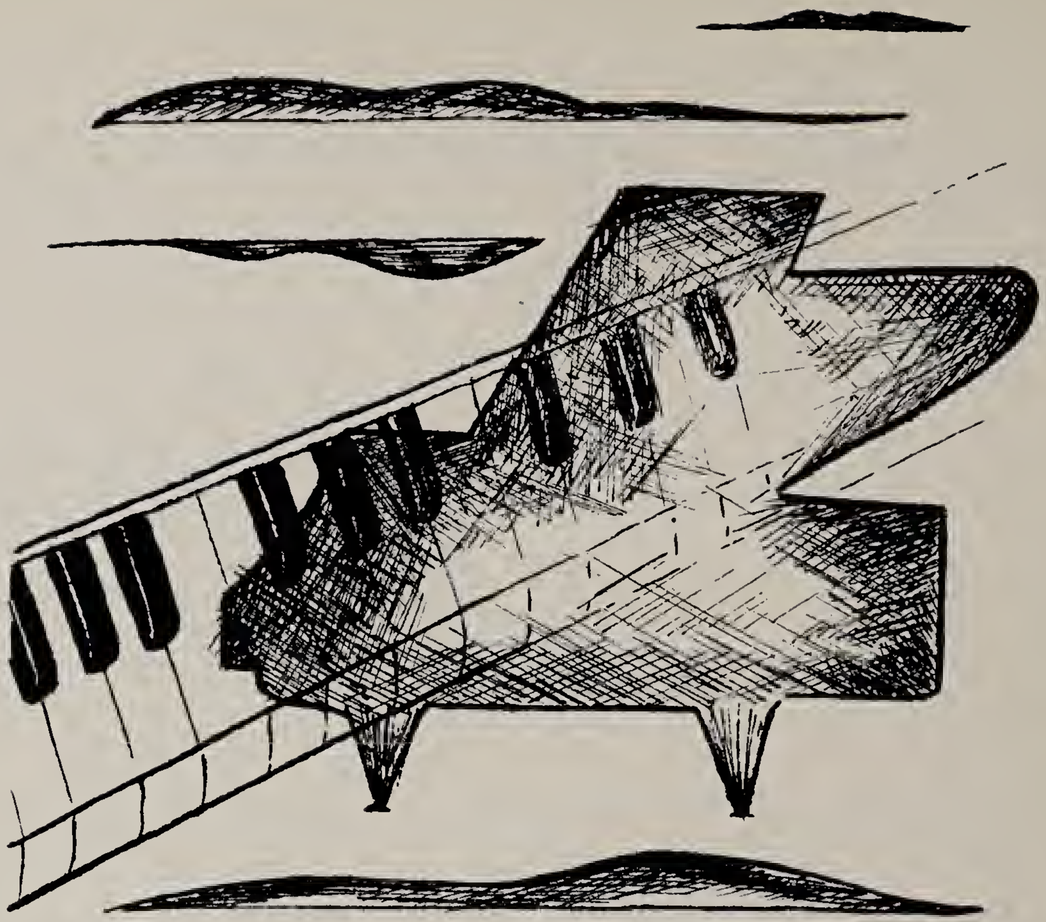
Marionette Dedication



'Twas Autumn; leaves were rustling brown.
A young man faced his task with courage,
The courage of optimistic youth and innocence.

Came winter, with its problems to be solved
Trials hard to bear, the fury of the blast,
The heartless hand of unrelenting circumstance.

The young man wavered, somewhat taken back
With trials that cut optimism to the core
And let naked courage stand the strain.

Courage faltered but the task was part divine
The young man fell—upon his God
And rose, to win initial gain.

His task moved on. The man no longer young
But wiser, stronger, trusting in his Master
Met each new challenge, striving day by day.

And now his task is done, his victory sure;
Oh may we face our tasks as well as he
And walk with God this higher way.

With admiration and warm regard
We dedicate this annual to

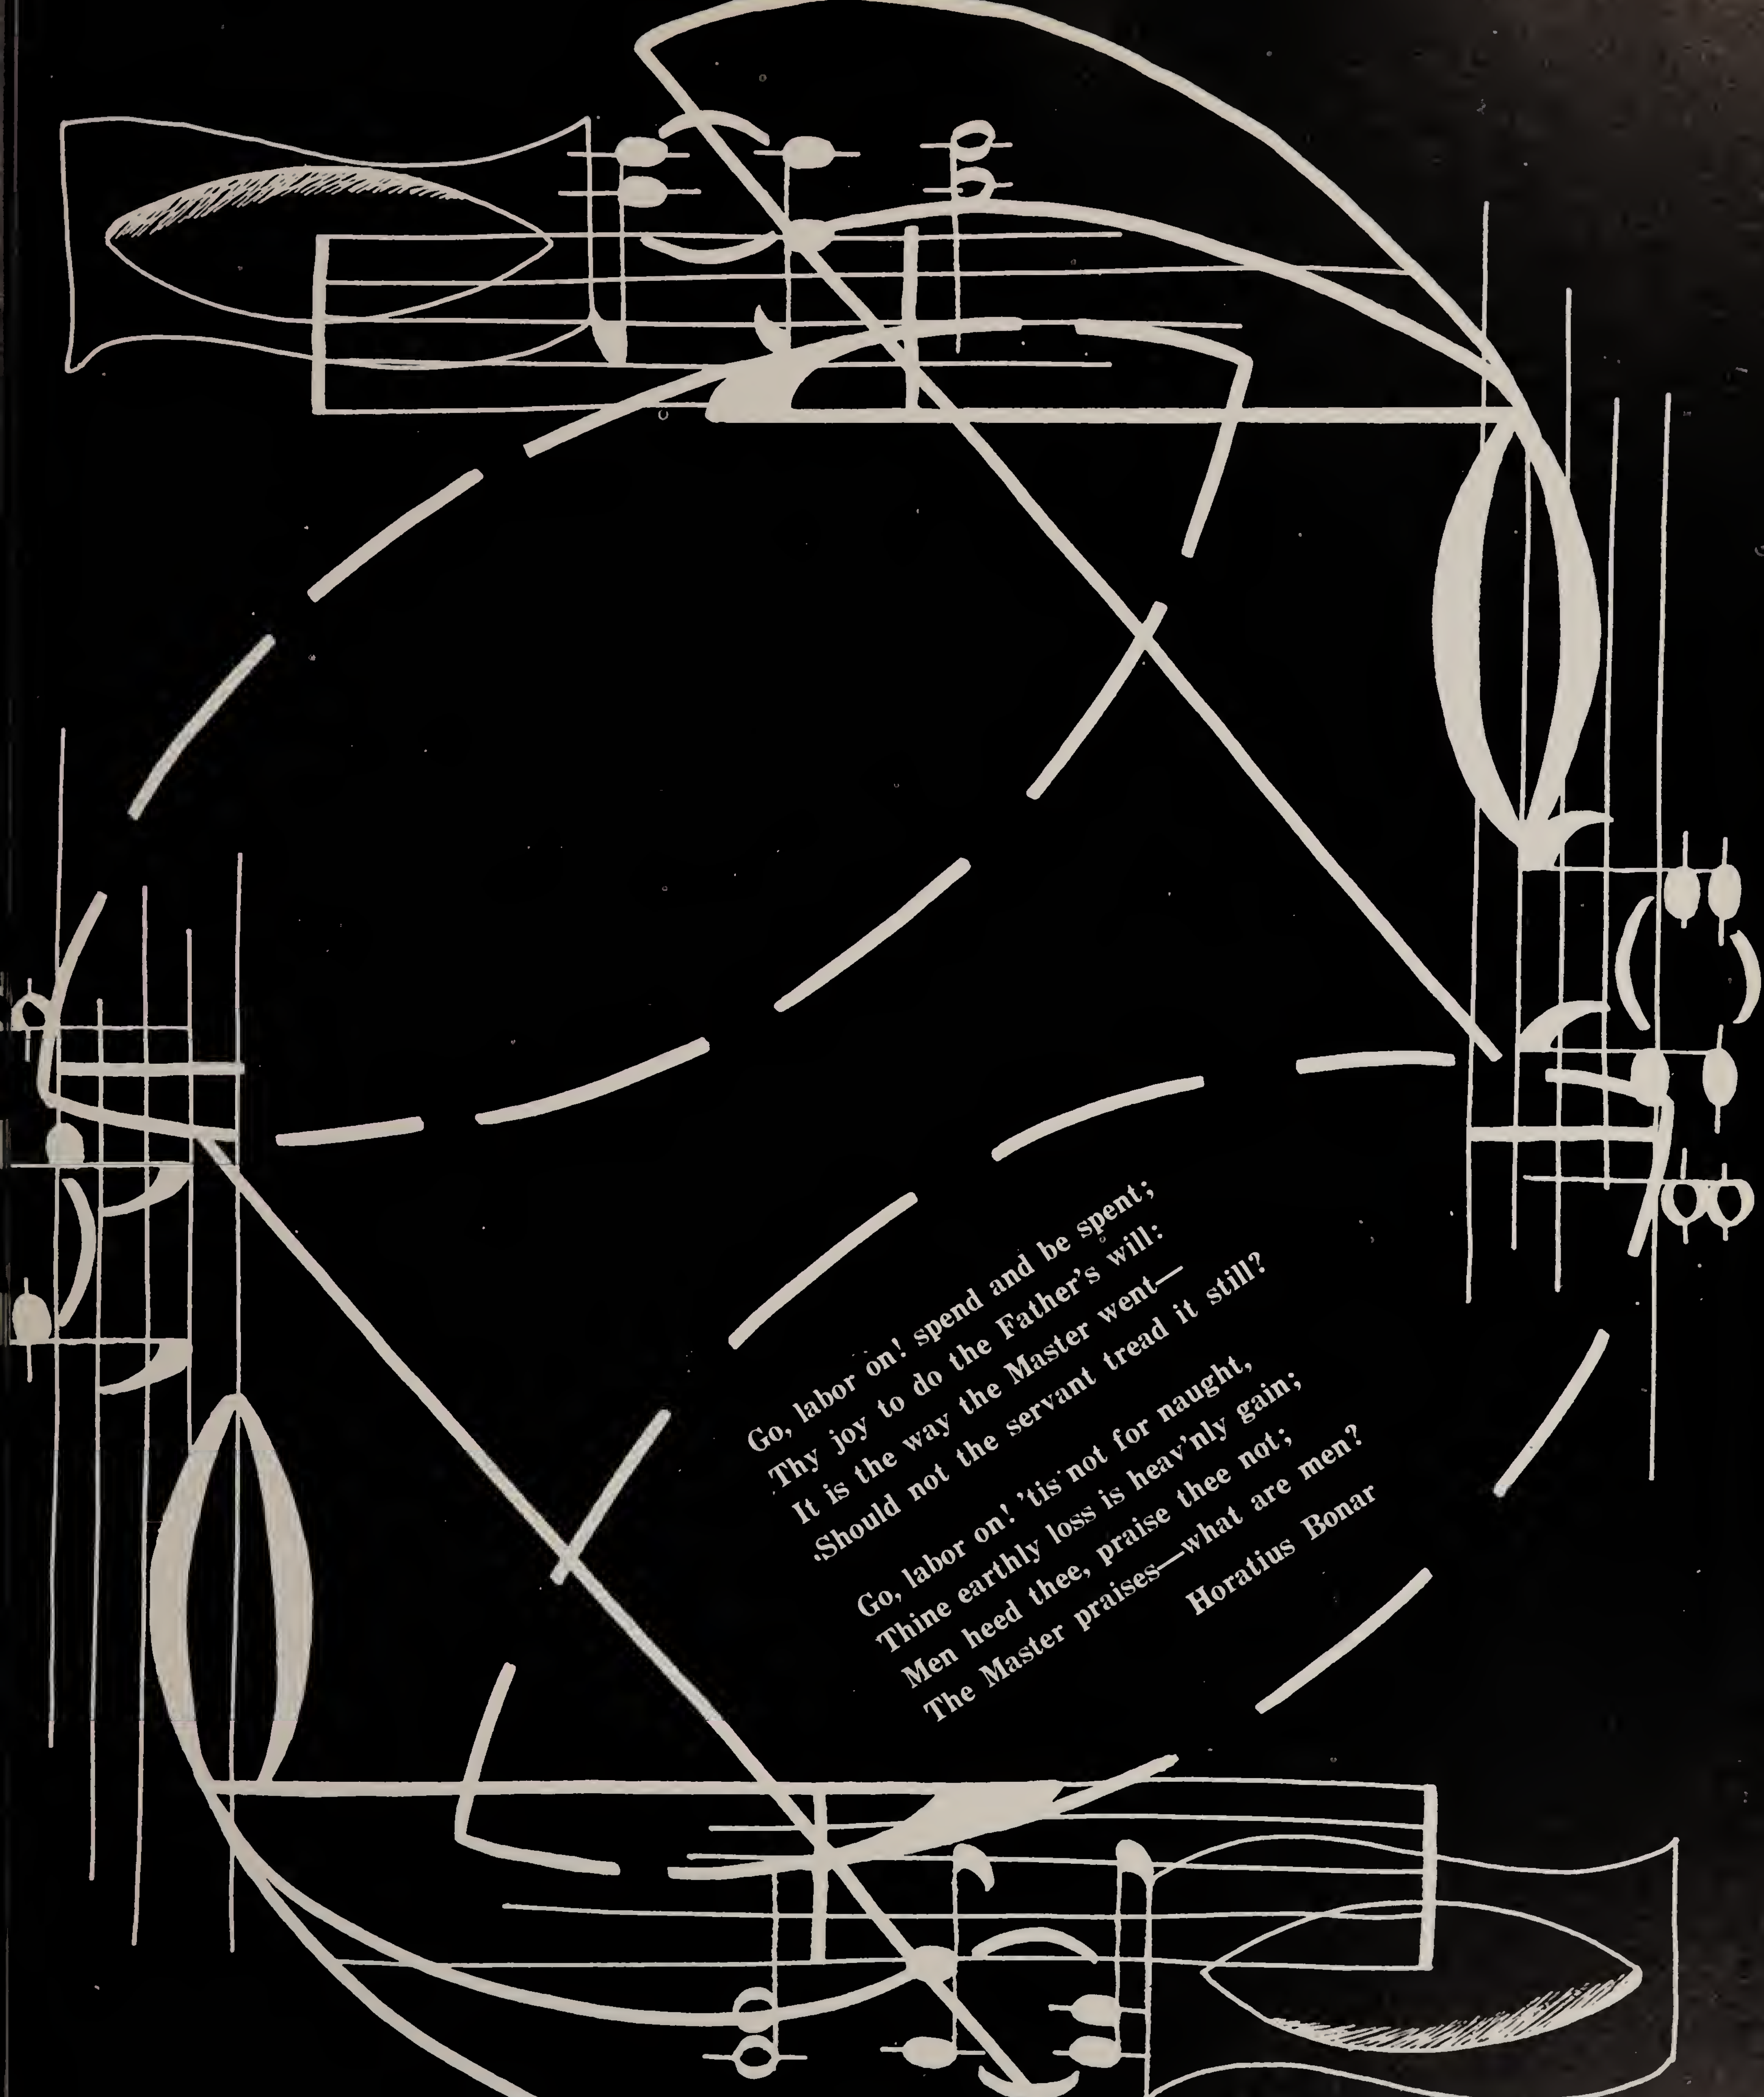
ADMINISTRATION
FACULTY

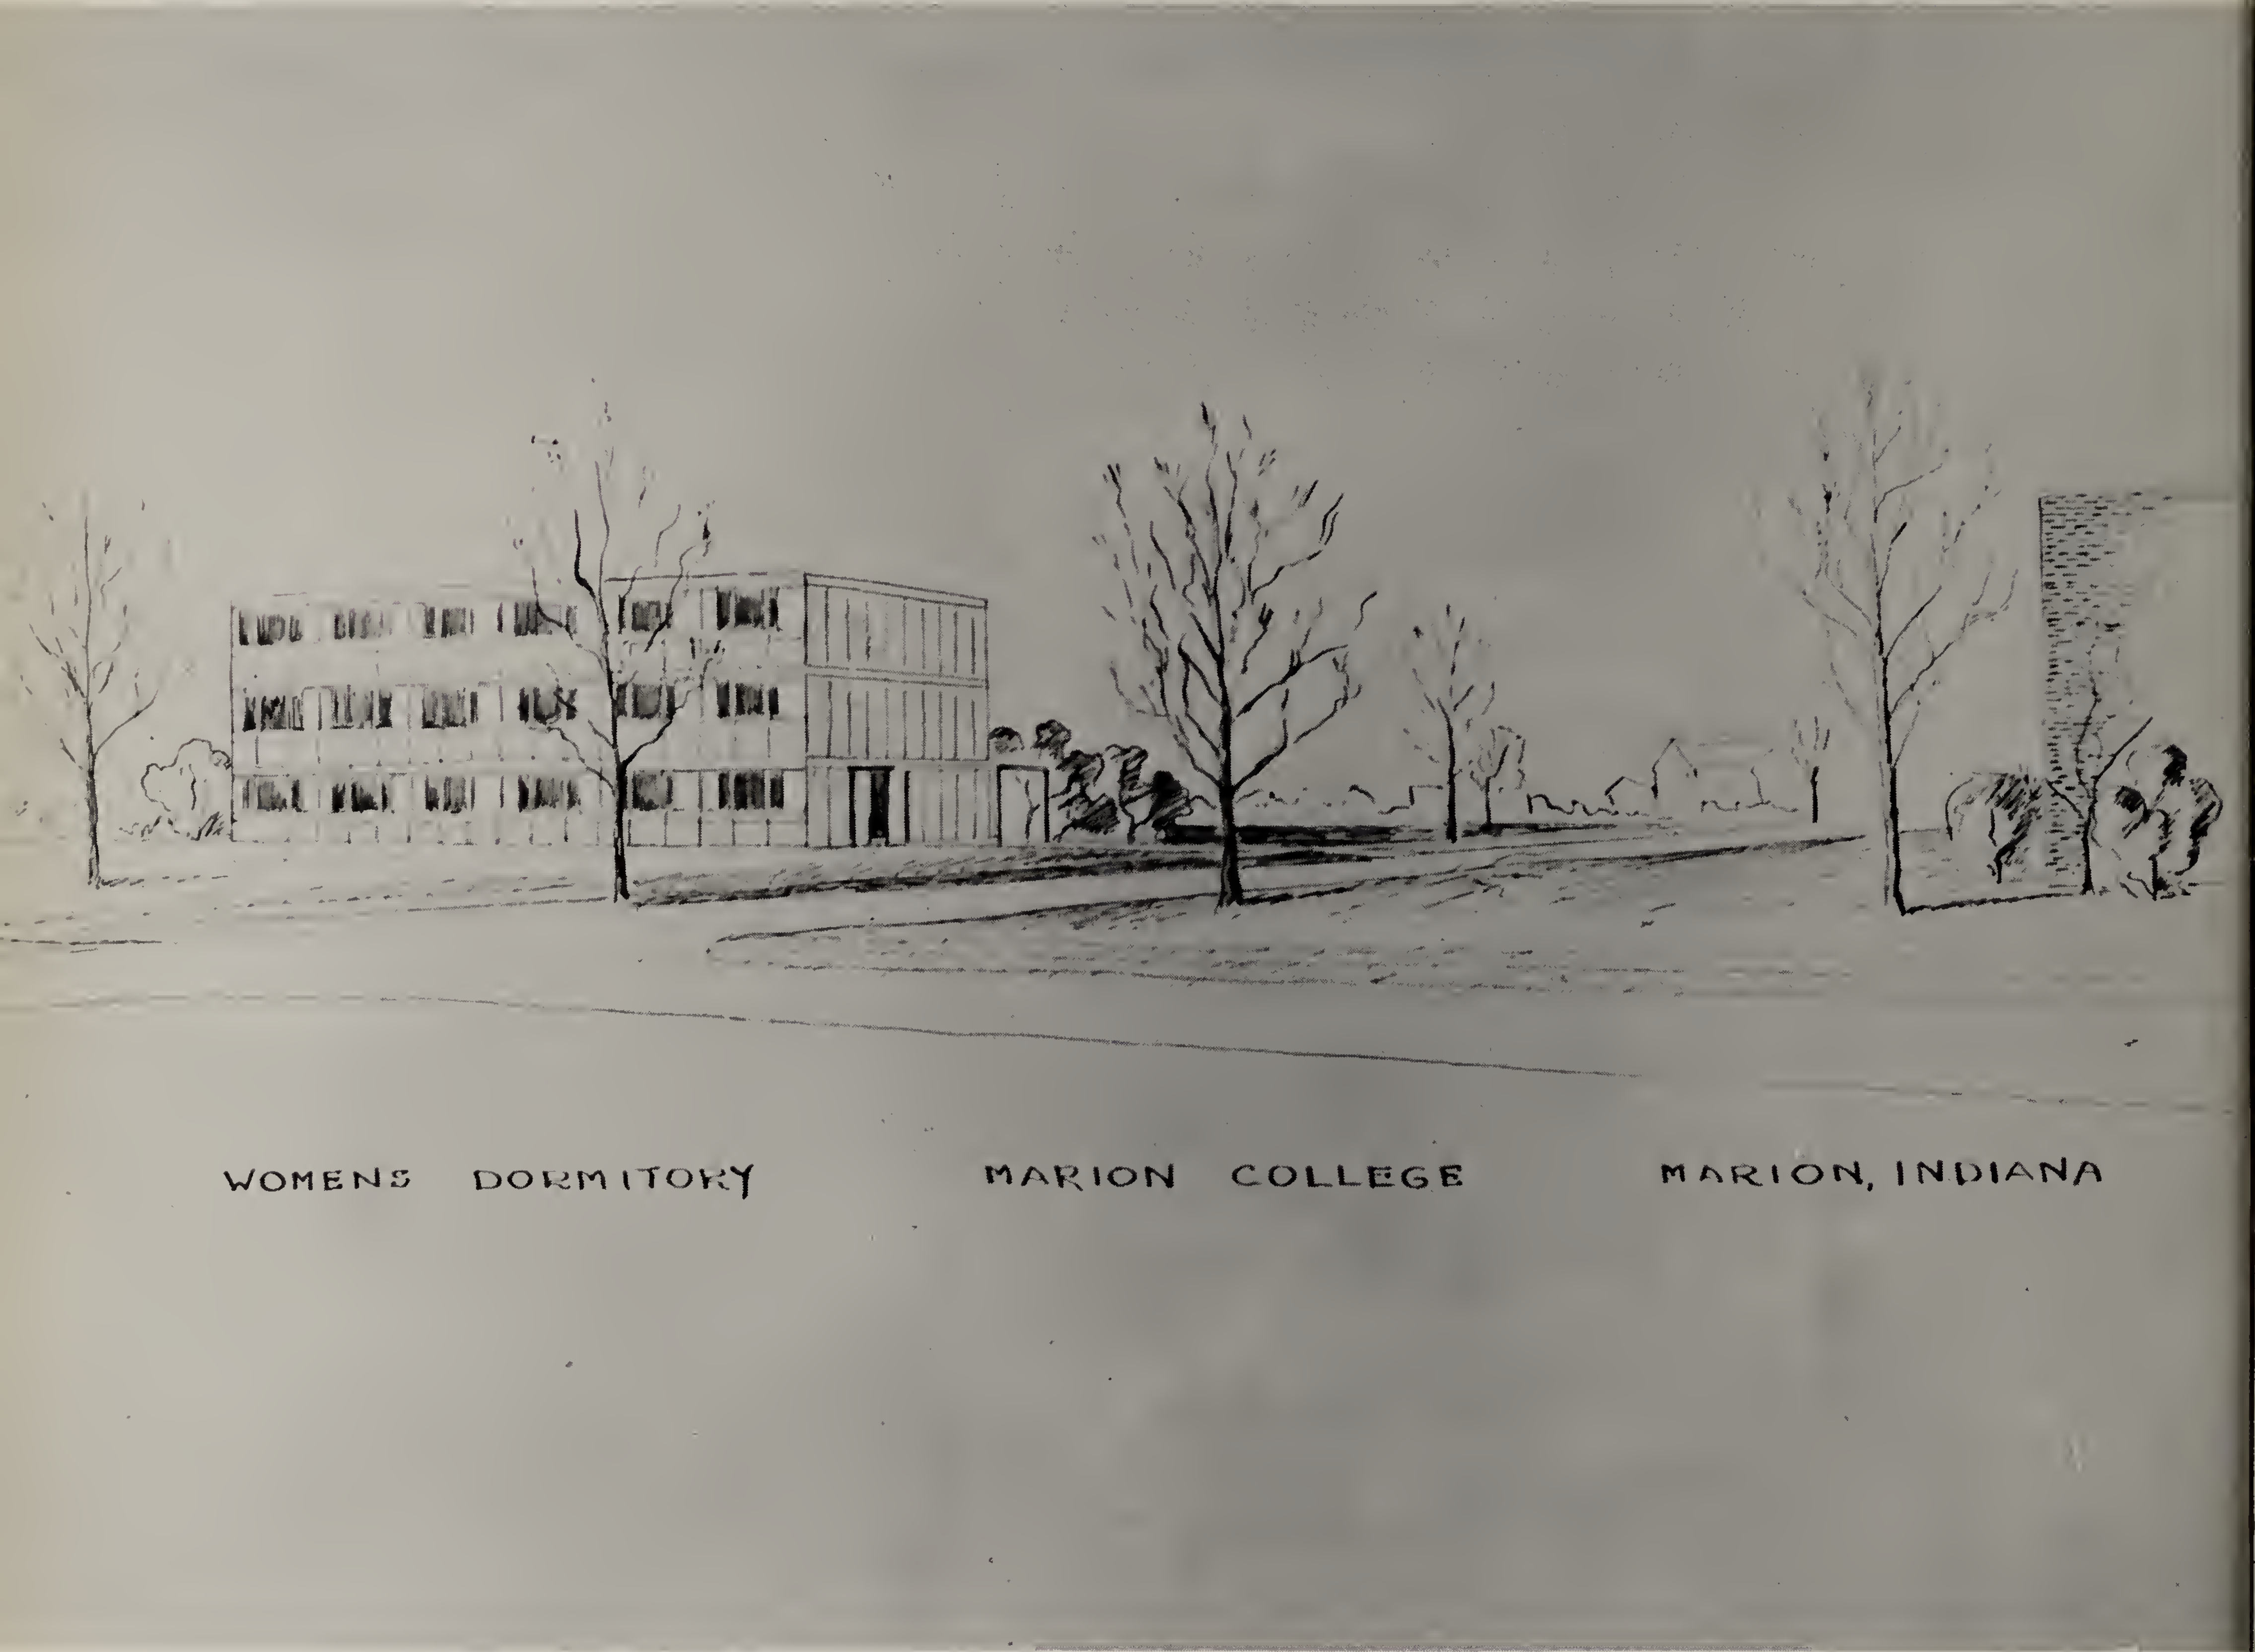


Go, labor on! spend and be spent;
Thy joy to do the Father's will:
It is the way the Master went—
Should not the servant tread it still?

Go, labor on! 'tis not for naught,
Thine earthly loss is heav'nly gain;
Men heed thee, praise thee not;
The Master praises—what are men?

Horatius Bonar

Building Project Of The Future



Architect's drawing of proposed women's dormitory, similar in design but smaller than William's Hall, shown in drawing at right.

Marion College is looking forward to a new day—breaking ground for the construction of a new women's dormitory. As yet, however, no date has been set to commence the construction.

Tentative plans provide housing facilities for sixty women. Also included in the dormitory will be a kitchenette, laundry, and parlor.

The building is to be located east of William's Hall at the southeast corner of Selby and 41st streets.

Teter Hall—present women's dormitory and cafeteria.

Local Board Of Trustees

The board is composed of seventeen representatives from the five conferences of the Marion College district. Being the policy controlling body of the institution, these members assemble together three times a year and map out future plans for the advancement of the college.

CLASSES

The end has come, as come it must
To all things; in these sweet June days
The teacher and the scholar trust
Their parting feet to separate ways.

They part: but in the years to be
Shall pleasant memories cling to each,
As shells bear inland from the sea
The murmur of the rhythmic beach.
Whittier

SPIRITUAL LIFE

Guide me, O Thou great Jehovah,
Pilgrim through this barren land;
I am weak, but Thou art mighty;
Hold me with Thy powerful hand;
Bread of heaven, Bread of heaven,
Feed me till I want no more,
Feed me till I want no more.

New College Church

The college community will be moving into a new house of worship in the near future.

Modernly designed with air-conditioning throughout, the new church will be in two main divisions—the educational unit and the sanctuary.

The educational unit, 98 ft. by 130 ft , contains twenty-six classrooms while the sanctuary, 66 ft. by 98 ft., has a seating capacity of 712 and accommodations for 55 in the choir.

Also in the building will be the offices of the pastor and his secretary.

Located on the old baseball diamond at the corner of 41'st and Selby Streets, the surrounding area will accommodate parking space for 200 automobiles.

Prof. Baker Thompson leads the energetic Eurekans in the rousing school song.

RUSH WEEK — the week all freshmen and new students make their big choice "Will I be an Amphic or Eurekan?" Each society provides them an abundance of propaganda in the form of skits, literature, posters, and persuasive conversation. Ultimately Rush Day morn arrives and final decisions are made. Following chapel the new students rush down the brightly decorated stairway into the welcoming arms of the society of their choice. "I'm a full-fledged . . . at last."

And the choice has been made . . .

"Everyone ready for the Rush Day Parade?"

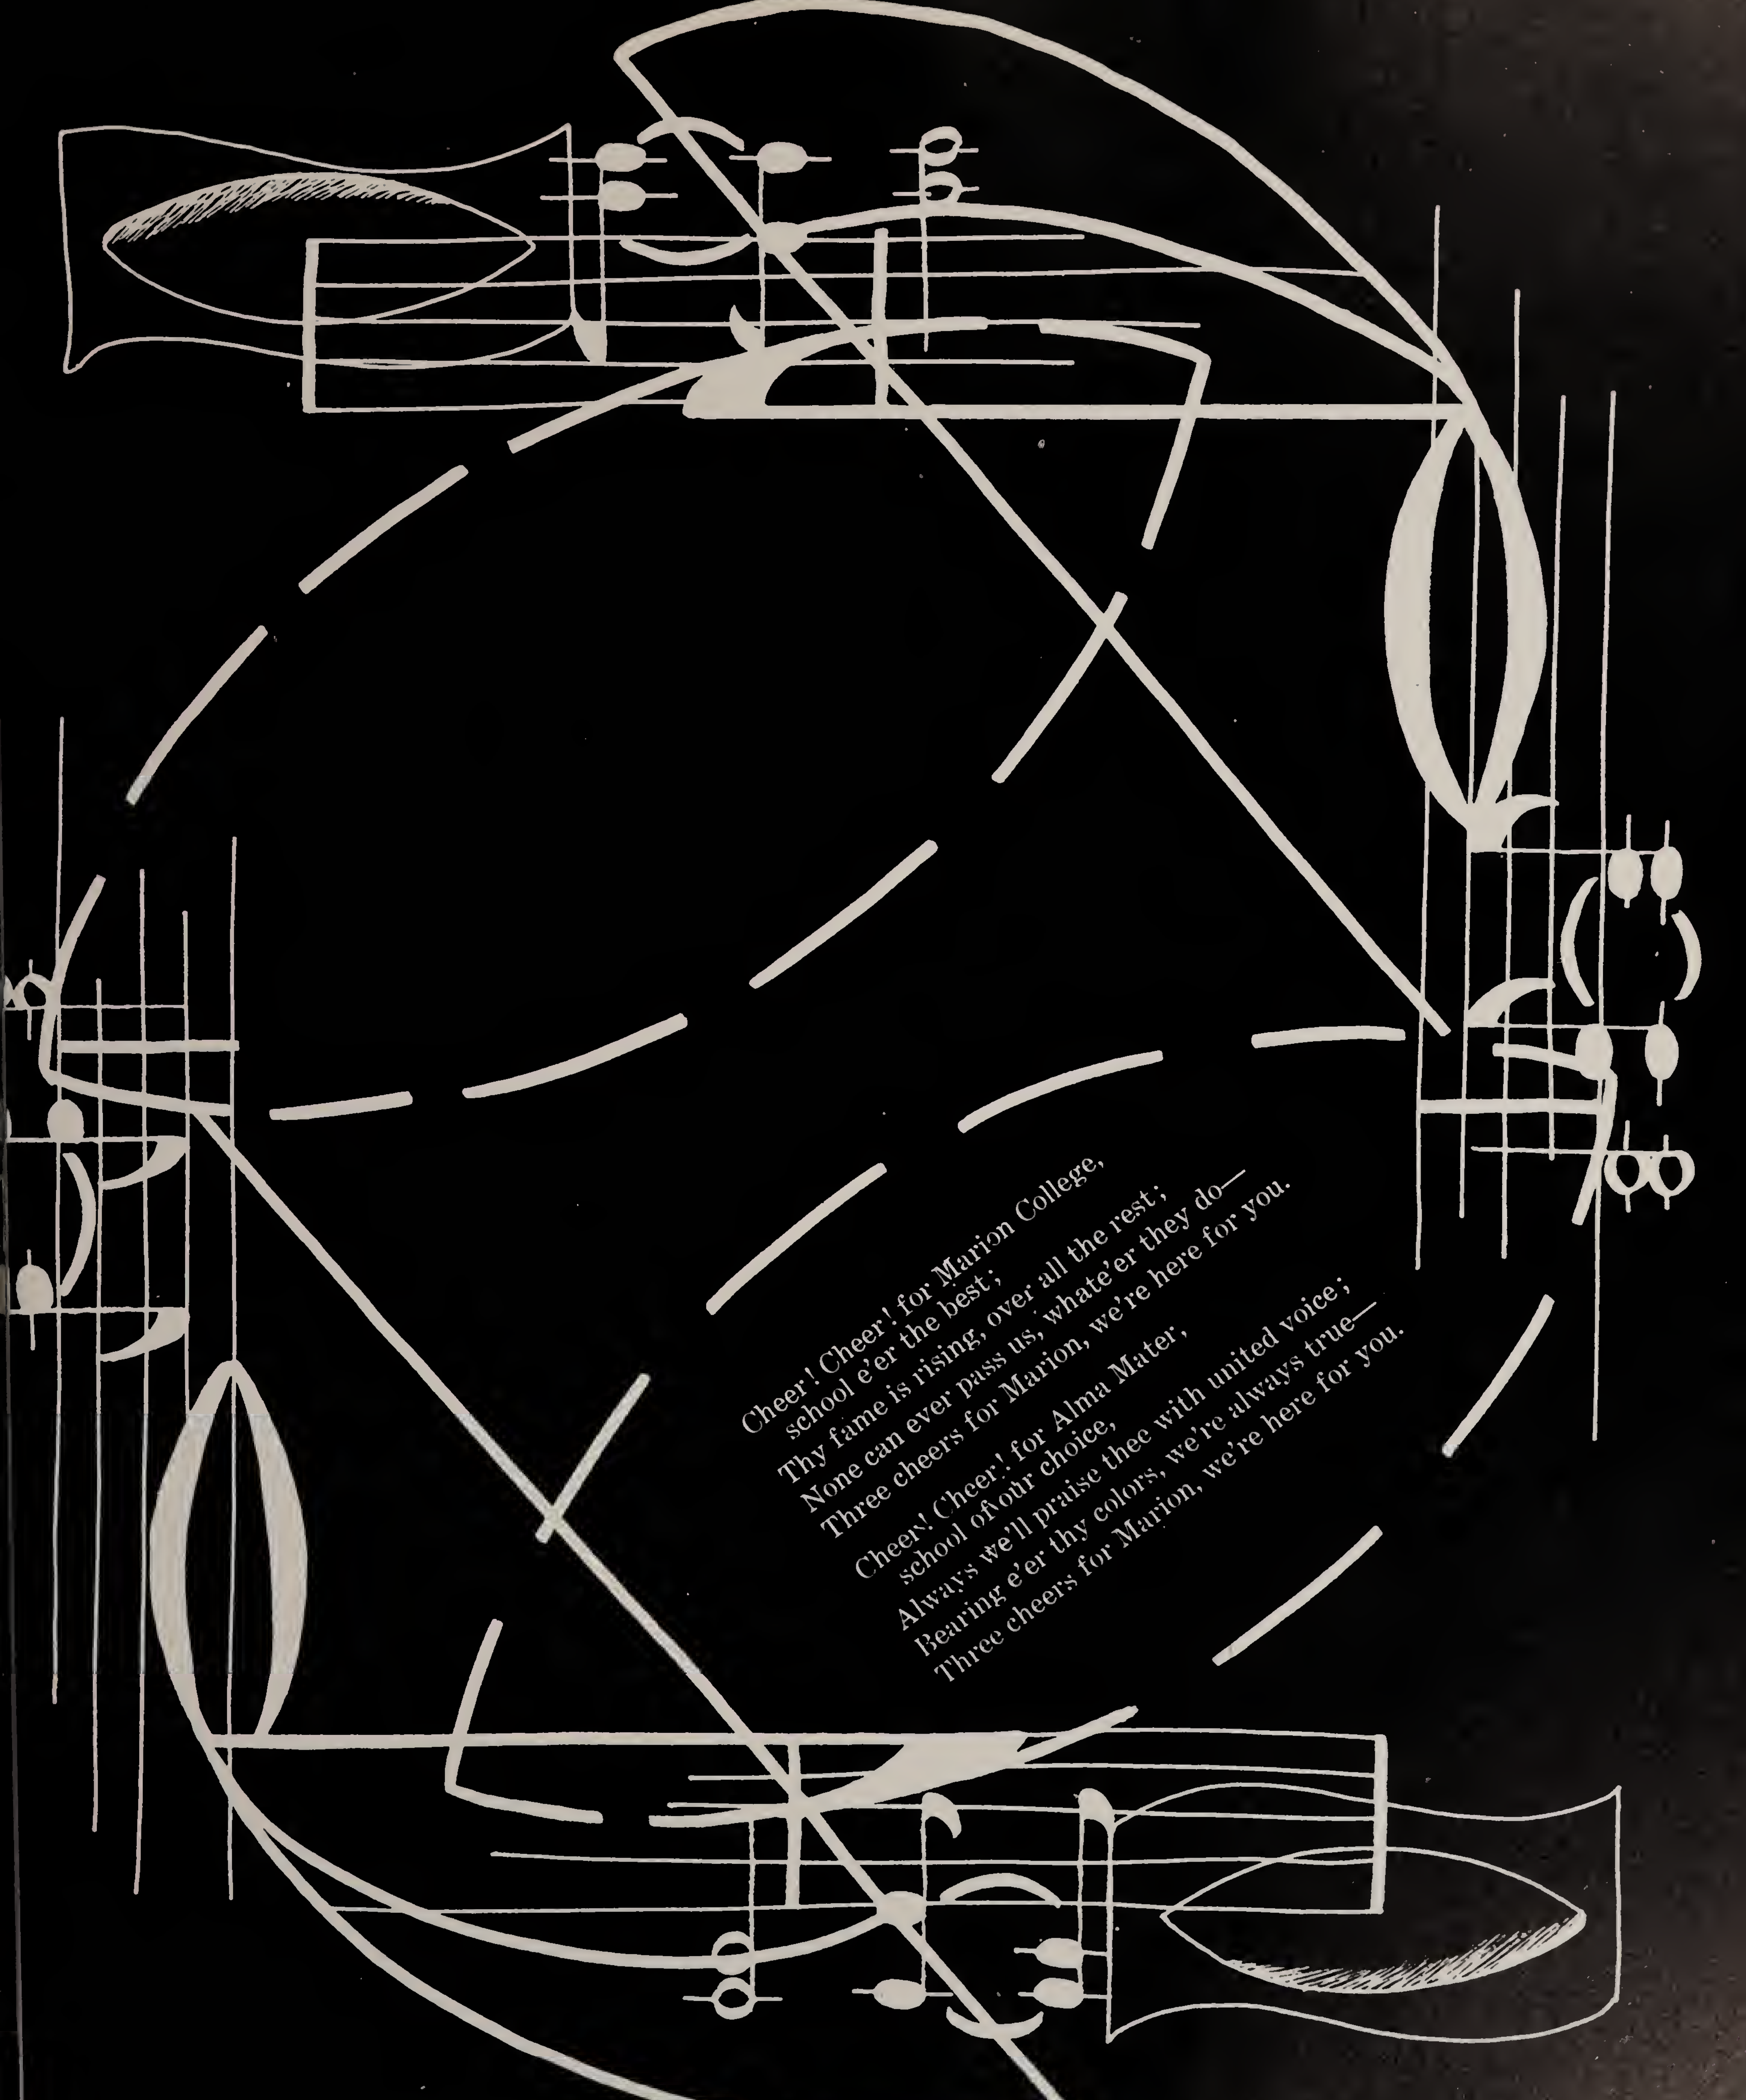
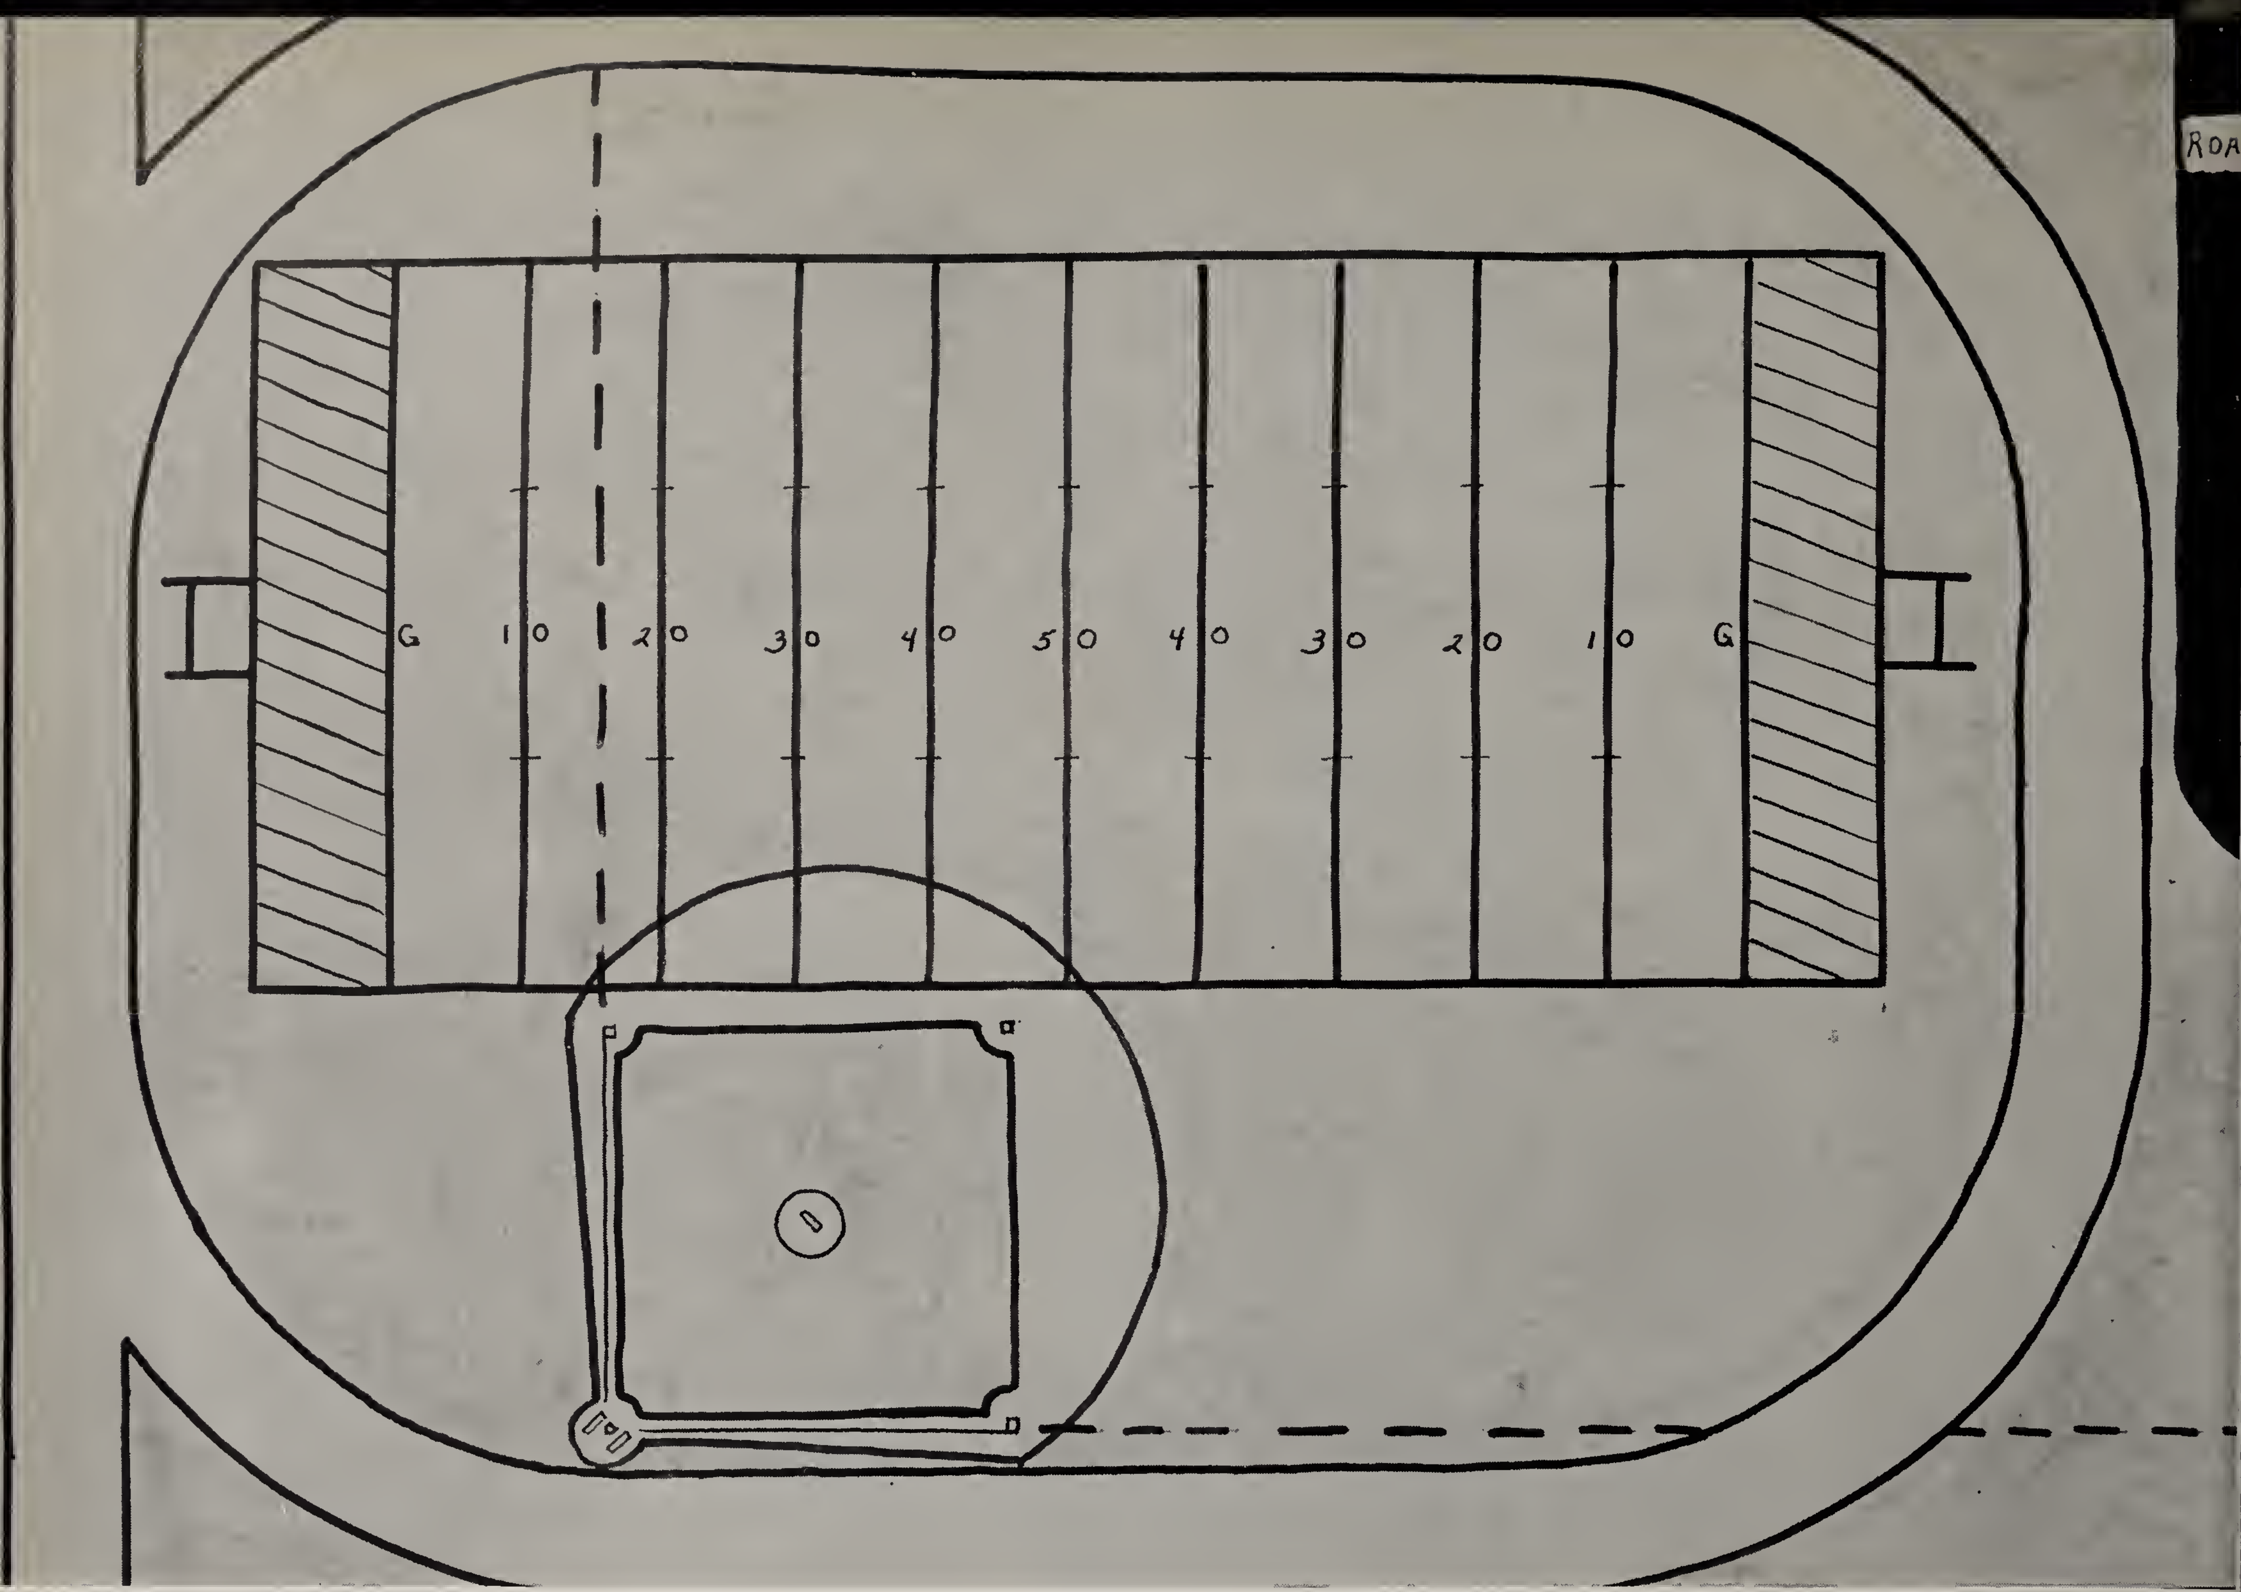
ATHLETICS



Cheer! Cheer! for Marion College,
school e'er the best;
Thy fame is rising, over all the rest;
None can ever pass us, whate'er they do—
Three cheers for Marion, we're here for you.

Cheer! Cheer! for Alma Mater,
school of our choice,
Always we'll praise thee with united voice;
Bearing e'er thy colors, we're always true—
Three cheers for Marion, we're here for you.



Future Athletic Field

Reach
Softball

The college, having sold the old athletic field to the College Church for a new building site, is laying plans for the construction of a new recreational field at the corner of Nebraska and 41st streets. Located on a portion of the newly purchased 17½ acres, the area measures 503 feet east and west and 360 feet north and south. It will provide facilities for a baseball diamond, a football field, and a quarter-mile track.

"M" Club

The four club officers look over the new letter jackets purchased shortly before Christmas.

M club

The "M" Club, composed of the All-Stars of softball, football, basketball, track, and cheerleading, consists of the outstanding athletics on campus.

This organization sponsors all of the intramural contests between the Amphics and Eurekans as well as all athletic events between classes.

Amphics Reign As Football Champs

Amphic Offense

The Amphics proved themselves football champs indeed by clinching the fourth game of a five game series from the Eurekans. Both teams fought hard and well throughout each game, the Eurekans taking mostly to the air while the Amphics used a combination of aerial passing and ground work. Yet the aerial passing and ground work. Yet the aggressive attack of the red and white proved more than equal to those of their opponent and awarded them title to football honors of the 1959 pigskin season.

In the 1960 Amphic-Eurekan Basketball Series, the Torchbearers emerged from the annual conflict holding the well-earned basketball championship.

In the four-out-of-seven game series, the Eurekans took the first three before the persistent Amphics won the fourth. However, the green and white came back to capture the fifth game, thus taking the championship.

Both the Amphics and Eurekans displayed a Christian spirit, fine playing skills, and able ballhandling on the gym floor.

This year the varsity All-Stars, outstanding basketball athletes from the Amphic and Eurekan clubs, constituted a powerful aggressive team on the gymnasium floor. Having never been beat before in previous years, the All-Star men continued this trend as they triumphed with a 95-64 victory over the No-Stars.

The All-Star women also proved themselves worthy of their title as they easily romped the No-Stars, winning 57-37.

"B" Team Basketball

The Amphic "B" squad swept the series this year with three straight wins but not without first having received stiff competition from the Torchbearers.

Both teams, as the scores indicate, generally used a stiff and effective defense against their opponents. Team work and shooting power generally meant the marginal difference between victory and defeat.

"Hoosier Hysteria" is a definite part of Marion College, even for women. The Eurekan women championed over the Amphic women this year with a 3-0 winning record.

Team spirit and rousing competition characterized the playing skills of the opponents. Each game displayed a lot of eagerness and enthusiastic playing by each contestant on the basketball court.

Track

The speed of the Eurekans proved more than a match for the Amphics as the Torchbearers proudly hold the title of both track and cross country championships for the past year.
